

Message from HKU Convocation

Dear Members,

HKU Convocation Standing Committee cordially invites you to join the **"Visit to HKU Residential Colleges"** .

Founded in 2012, the Residential Colleges aimed to meet the needs of the University's goal of greater internationalisation. Presently home to 1,800 students, the Colleges have a balanced mix of undergraduates and postgraduates, which include international, Mainland China, and local students. The Colleges are culturally diversified learning communities that students with different backgrounds may learn from each other.
